"Governor Ehrlich's new book is a cogent analysis of how Donald Trump's victory has challenged Obama's progressive agenda. This well-written book provides readers with rich insights into a very different political leader and his unique ways." —Governor Haley Barbaree

Governor Bob Ehrlich

*Author of Turning Point: Picking Up the Pieces After Eight Years of Failed
Progressive Policies and American Hope for Change*

ABOUT GOVERNOR ROBERT EHRLICH: Robert Ehrlich was the 60th Governor of Maryland from 2003-2007. Along with his running mate, Michael Steele, Ehrlich beat Maryland Lt. Governor Kathleen Kennedy Townsend, daughter of the late Robert Kennedy, in a hard-fought campaign. Prior to serving as Governor, Ehrlich represented Maryland's 2nd Congressional District from 1995-2003. Ehrlich served as the Maryland Chair for Mitt Romney's 2012 Presidential campaign and was a surrogate for Donald Trump's campaign, endorsing Trump in May 2016. Ehrlich campaigned in mostly blue leaning swing-states like Pennsylvania, where he worked to appeal to blue-collar, Reagan Democrats. In addition to his appearances on cable news shows, Ehrlich is a columnist for *National Review* and *The Baltimore Sun*.
